

FYE 101 – Dr. Whitehead

New Student Convocation – Lyman Center

17 September 2007

1 – 2 p.m.

Dear Members of the FYE Learning Community:

Your learning environment for 17 September will occur in the Lyman Center rather than our regular classroom environment in Engleman Hall. I will be there in full regalia.

Your assignment related to this teaching/learning opportunity is to write 1-2 paragraphs summarizing the content of the New Student Convocation, and what learning experience occurred for you. You will turn this in when we gather for Wednesday's class on the 19th.
