

With this email I would like to submit the latest versions of our Computer Science self-study reports for UCF's PRAC review.

Since the files are rather large they are posted on our www.southernct.edu website and as such available for download. (email might not be able to handle the size). Please let me know if any problems occur regarding the download.

The links to the files are:

1. CompSci dept General CompSci Program report:
http://www.southernct.edu/~podnar/review/final/CompSci_GeneralCS_PRAC_2010_Ver_3.docx (3.14MB)
2. CompSci dept Computer Inform. Systems Program report:
http://www.southernct.edu/~podnar/review/final/CompSci_CIS_PRAC_2010_Ver_2.docx (3.14MB)
3. Appendices document for both reports:
http://www.southernct.edu/~podnar/review/final/CompSci_PRAC_2010_Appendices.docx (8.80MB)
4. PRAC cover sheet for our external review document:
http://www.southernct.edu/~podnar/review/final/PRAC_cover_sheet.pdf (178KB)
5. CompSci dept external accrediting body review document
http://www.southernct.edu/~podnar/review/final/ABETSelf-StudyV30_FinalSubmittedVersion.pdf (1.86MB)

The both reports (1. And 2.) are rather similar but do have different objectives and outcomes mappings. Both documents utilize the common appendix file (3.)

The report is submitted using .docx MS Word 2007 format.

If this is not preferable, please let me know. I can swiftly produce the same documents in pdf format. (some loss of document quality will occur though).

Please let me know if you have received this email.

Do not hesitate to contact me if any technical issues occur with the files.

Thank you for your time, efforts and understanding,
