Shift Change Party!

February 23, 2010
1:00 p.m.—5:00 p.m.

**The Study at Yale
Penthouse Lounge
1157 Chapel Street, New Haven**

The Penthouse Lounge overlooking the beautiful vistas of New Haven from East Rock to West Rock

I am delighted to offer our alumni who are healthcare professionals a special event designed just for you! We are calling this our **Shift Change Party** to allow alumni who begin or end their shifts in mid-afternoon to join us either before or after work. Southern educates great numbers of health care professionals from nurses to social workers, from counselors to recreational therapists and public health professionals. This party is to honor, you, our SCSU health care professionals, for your dedicated service to the community. We hope that you will be able to join us for complimentary beverages and hors d'oeuvres in a relaxed atmosphere that will allow you to reconnect with fellow alumni, deans and faculty members.
