

STUDENT HEALTH INSURANCE: The University requires mandatory health insurance for all full-time students, unless you are covered by other medical insurance. SCSU is working with Aetna Student Health as an insurance provider. If you already have health insurance and wish to waive the health insurance charge on your bill, you must go on the Aetna Student Health website as follows: Go to www.aetnastudenthealth.com/. and click on "Student Connection". Search by school name, and then click on box for Full Time Student. **The health insurance waiver site for the Fall 2009 semester will be available to accept waivers between June 1, 2009 and September 11, 2009.**
