

HEALTH INSURANCE: The University requires mandatory health insurance for all full-time students unless you are covered by other medical insurance.

If you have registered for **Fall 2006** and are a **Full-Time student**, you will **automatically** be charged for the University health insurance. If you already have health insurance and wish to waive the health insurance charge on the bill, you must go on the web as follows:

- Go to the SCSU page at chickering.com by **clicking here**
- Click on the "Full Time Students" link on the left-side of the page.
- Click on the link: "Click here to waive the Student Sickness Plan"

If you have any questions concerning the health insurance, please contact The Chickering Group toll-free at 877-375-4244 or visit their website.

The deadline for submitting a waiver for Fall 2006 health insurance is October 6, 2006. If you do not waive your Health Insurance by the waiver date, you will be responsible for payment of the charge.

Coverage is from 8/1/06 to 1/15/07, and the fee is mandatory unless a waiver is submitted on line by 10/06/06. If you do not waive your Health Insurance, you are responsible for paying the Health Insurance charge on your bill.

Note: Please do not include \$312.00 insurance fee in your payment if waiving. Also, the Health Insurance fee cannot be paid by the AMS monthly payment plan. Please subtract the amount from your total bill before making payment arrangements.

You can verify that your insurance has been successfully waived by checking your current bill online through BannerWeb. Please allow one business day for your waiver to be processed.
