Please be sure that your proposal includes the following, either in the syllabus or in a separate attachment:

- checkbox A copy of your course outline or syllabus
checkbox Copies of 2 or 3 possible assignments for the course
checkbox An explanation of how the writing assignments for this course fulfill the expectation that "A significant portion of the writing for the course should be critical (analytical)" (see Guidelines for Designing and Teaching L-Courses, item #1)
checkbox An explanation of how this course's "critical (analytical) writing component [will] emphasize revision" (see Guidelines for Designing and Teaching L-Courses, item #2)
checkbox An explanation of how this course will "require students to write 5000 words over the course of the semester" (see Guidelines for Designing and Teaching L-Courses, item #3)
checkbox A description of what percentage of the final grade will come from writing assignments
checkbox A description of how grades on revised papers will be weighted
