for any of these programs.
Students, faculty
and staff welcome!

CTRides/NuRide

CTRides/NuRide, an online ride-matching network, is a free service supported by the Connecticut Department of Transportation. Sponsors provide rewards and special offers to CTRides/NuRide members for taking greener trips and reducing global warming, traffic congestion and energy consumption.

R.I.D.E.S.

(Reducing Individual Dangers and Encouraging Safety)

R.I.D.E.S. is a program designed to offer students a responsible mode of transportation when one is needed. R.I.D.E.S. allows students to obtain their very own Metro Card assigned to their individual student ID number. Students can register for their card at the Drug and Alcohol Resource Center. Once registered, students may call any Metro Taxi in Connecticut at any time, and swipe their Metro Card to pay for the charge.

SCSU Shuttle Services

Southern offers a free daily shuttle to and from Union Station in New Haven and weekend shuttle service to Hamden Plaza, Westfield Shopping Mall in Milford, and downtown New Haven.

U-Pass

The U-Pass is a special transportation pass for Southern students that is valid for unlimited trips during the fall and spring semesters on all CTTRANSIT local buses. The U-Pass gives you transportation freedom with no out-of-pocket expense.

Zipcar

Zipcar is wheels when you want them, literally. Southern Connecticut has partnered with Zipcar to bring 2 cars to campus. Cars are available on-demand 24/7, to be reserved online by the hour or day. A great alternative to car rental or ownership!
