

SCSU Mothers' Support Network

Lactation Room Guidelines

1. Please register with the Office of Human Resources, Francesca Poole, X25059 before using the SCSU lactation room located in the Women's Lounge, Connecticut Hall, 1st Floor. You will need to register in order to have card access to the lactation room.
2. Women should sign up for time slots in the notebook provided in the room. It is only necessary to sign up a week or two in advance. If you need to use the room at a time that you have not reserved, and it is available, please add your name after the fact.
3. This room is for you. Feel free to put up baby pictures on the bulletin board, post messages to others, or bring in articles or magazines for others to share. The literature on parenting and child development is for your use as well.
4. In order for the room to be safe and clean for all users, you will need to clean up after yourself. There are cleaning supplies, paper towels, etc. provided for this purpose. Make sure all waste products are disposed of properly and all surfaces wiped clean. Also, make sure that all lights, c.d. player, etc., are turned off. Please contact Cathy Christy at X26946 if you arrive and the room is not clean.
