Activity Fund called for an incremental increase in the fund rather than a reduction;

Whereas the Vision Statement of the 2007-2012 Strategic Plan for Southern Connecticut State University expects that faculty will “engage in outstanding research and creative activity” and thereby “challenge students to achieve their full potential”;

Be it resolved that the SCSU Administration restore the Faculty Creative Activity Research Grant budget to its original level of funding so that the maximum possible number of $2,500 research grants can be awarded in the 2014-2015 academic year;

Be it further resolved that fringe expenses for the Faculty Creative Activity Research Grant stipends be paid from the operating budget\(^2\) in a way that does not affect the total amount the Faculty Creative Activity Research Grant Fund, an amount that was established with a common understanding and a common purpose to maximize the number of grant stipend awards possible so as to advance our shared purpose of academic excellence.

Be it further resolved that no further changes to the process of implementation be undertaken unless such proposed changes are discussed and voted on by the full Faculty Senate.

\(^2\) As is the case for CSU Research Grant Stipends as well as SCSU Curriculum Related Project Stipends.
Faculty Senate Resolution On the Restoration of the Original Implementation Plan for Faculty Creative Activity Research Grant Funds, 2014-2015.

Whereas Southern Connecticut State University (SCSU) exists for the primary purpose of furthering academic excellence;

Whereas the SCSU Faculty Senate is the official representative body of the Academic Faculty;

Whereas the CSU-AAUP Contract expects collegial governance to be practiced on each campus by an elected Senate in keeping with campus traditions;

Whereas the SCSU Faculty Senate is committed to shared governance;

Whereas academic strategic planning that began in 2002 in the context of shared governance resulted in a strategic commitment to increasing support for Faculty Creative Activity;

Whereas the Senate approved a resolution for the creation of a Faculty Creative Activity Fund (S-10-03), a resolution that was approved by the President on April 26, 2010;

Whereas the Faculty Senate appointed a Faculty Creative Activity Fund Committee to design a competitive application process for research grants;

Whereas a competitive grant application process was designed by the Creative Activity Fund Committee, standardizing the grant award as a $2,500 stipend in order to maximize the number of awards;

Whereas the implementation plan was approved by subsequent Faculty Senate votes following extensive discussion;

Whereas the initial implementation was accomplished by the Faculty Creative Activity Fund Committee in direct, ongoing, and detailed consultation with the University Controller, the Office of the Provost and the Office of the Executive Vice President for Finance;

Whereas implementation took place in an orderly and transparent manner for two successive years with the award of 34\(^1\) grants in each year;

Whereas in 2012 – 2013 the Administration reduced the Faculty Creative Activity Fund for Research grants by $25,000 (resulting in 10 fewer grants), and, in 2013-2014, reduced the Faculty Creative Activity Fund for Research grants by $12,500 (resulting in five fewer grants), so as to pay fringe on the grant stipends, thereby significantly reducing the impact of the Faculty Creative Activity Grants on academic excellence;

Whereas the original Faculty Senate Resolution (S-10-03) that created the Faculty Creative

\(^1\) In 2010-11 and in 2011-12, the Creative Activity Research Grant fund totaled $85,000, permitting 34 grant award stipends at $2,500 each.
