

Southern Connecticut State University
Yale Library Card Application

Introduction

- Southern Connecticut State University has purchased 12 Yale Library Cards for the use of faculty. The terms of our agreement with Yale specify that cards are for borrowing privileges and must be issued to a faculty member for a minimum of three months. This means only 48 SCSU faculty members will be able to participate in this program each year.
- Full-and part-time faculty may apply for use of a card for any of the three calendar month periods listed below. The purpose of the program is to stimulate and encourage research that will lead to publication in a refereed journal or publication of a scholarly book.
- Applications must be returned two weeks prior to the desired time period to EN B 106, Office of Faculty Development. (Additional applications are available in the Office of Faculty Development, EN B 106)
