

## ANNOUNCEMENT REGARDING UNIVERSITY TELEPHONE USAGE REPORTS

A new web-based program allowing review of your telephone usage will be introduced by the CSUS Telecommunications Department in *January 2009*. Every telephone subscriber on the University system will have access to review his/her telephone usage. Additionally, each department head and their direct support staff shall also have access to review all telephone lines assigned to their department and departmental staff.

More information will be forthcoming regarding this online service from the CSUS Telecommunications Department.
