

**Southern Connecticut State University
Graduate Council**

**Academic Standards Committee
Program Review Evaluation**

Dear Colleague:

To assess its own program review process, the Academic Standards Committee is providing you with the opportunity to comment on your experience. Your input is extremely important to the Committee's charge and quality improvement efforts.

Please respond to each of the items below using the scale lettered A-E, by placing the letter choice in the space provided. Following completion, please return to M. Perlin, Department of Public Health, Orlando Building, Room 102. Thank you.

A = I strongly agree with the statement
B = I agree with the statement
C = I disagree with the statement
D = I strongly disagree with the statement
E = I am uncertain

1. _____ The requirement of review is an important aspect for quality improvement of graduate programs.

Comments:

2. _____ The Handbook was useful for the preparation of the self-study report.

Comments:

3. _____ Communications from the Committee Chairperson were timely.

Comments:

A = I strongly agree with the statement
B = I agree with the statement
C = I disagree with the statement
D = I strongly disagree with the statement
E = I am uncertain

4._____ Communications from the Committee Chairperson were respectful.

Comments:

5._____ I was aware that the Committee Chairperson was available for consultation.

Comments:

6._____ The Academic Standards Committee conducted in-person program review in a professional manner.

Comments:

7._____ The Committee’s written report accurately reflected the comments and recommendations made during the in-person review.

Comments:

8._____ It was evident that members of the Committee were familiar with the self-study report prior to the in-person presentation.

Comments:

9._____ The Committee’s recommendations regarding the continued certification of the program were fair.
