For Internet Explorer version 11, Core-CT requires the ct.gov entry be added to the compatibility view settings.

To add ct.gov to the compatibility settings:

1. From the Help menu, select Tools and Compatibility View Settings. If you don’t see the Help menu, click on the gear icon and select Compatibility View Settings.
2. Enter ct.gov in the Add this website box, Click the Add button

You will see the ct.gov entry listed in the Websites you’ve added to Compatibility View area. Click Close. Exit IE-11 and restart the browser, continue to the Core-CT site.
