

Administrative Faculty Senate Minutes – Friday, September 11, 2009 – Adanti Center Room 326.

Minutes (for this meeting) started with the completion of the Nominations and Elections for the Executive Board.

There was a discussion on how often the Administrative Faculty Senate should meet – every two weeks or every three weeks or every month. As of now, we agreed the next meeting will be in three weeks – on Friday, October 2, 2009.

Tom Dorr has agreed that he will update information as needed on any areas of information. Mark is going to work with Tom to do this.

At our next meeting, we should review our current AFS Constitution and By Laws. At some point, our AFS Constitution should be ratified by the membership at large.

All senators are welcome to e-mail or call any of the newly elected E-Board members for any subject matters that may relate to us.

It was reported that the Registration Office may be closed every Friday in terms of walk-up service and that this may be a concern.

Other subjects that the AFS may be taking up at future meetings are: IT; cell phone use; university communication; freedom of information. It is really important that all AFS members have open communication among members.

The Charitable Campaign for Giving was brought up by John Rochette.

There was a discussion on SUOAF additional responsibilities; additional workloads, temporary assignments; % increases; staffing; SUOAF; and classified positions.

Tom Dorr made a motion to close the meeting.

Respectfully submitted,

Mark W. Ceneviva

AFS Secretary
