

DEGREE GRANTING and MINOR PROGRAM APPROVAL PROCEDURE

Whereas SCSU exists for the primary purpose of furthering academic excellence,
and whereas all administrative decisions should be driven first and foremost by the goal of academic excellence,
and whereas academic excellence is supported by effective and efficient action,
and whereas "Curricular changes involving individual courses and departmental programs shall be initiated at the departmental level following procedures of review as established by the Senate and approved by the President" CSU-AAUP CBA 5.17.1
and whereas the UCF (Undergraduate Curriculum Forum) has been charged with making recommendations to the University Academic Vice President and President regarding curriculum, including new and revised undergraduate degree granting programs,
and whereas in the past the responsibility of the UCF for making recommendations regarding academic minors has not been made fully explicit,

therefore be it resolved

*that all new and revised undergraduate academic program proposals
- degree granting and minor - must be submitted to the Undergraduate
Curriculum Forum prior to submission to the appropriate administrative offices,
and*

therefore be it further resolved

*that the Undergraduate Curriculum Forum be charged with making
recommendations to the University Academic Vice President and President
regarding all new and revised academic minor programs.*
