Total Credits Earned: Overall QPR:

The above student has requested to receive a B.S degree in and a B.A./B.S. degree in . The student had an overall QPR of 3.30 when accepted into both programs and departments. The student understands that he/she must complete a minimum of 150.0 credits and maintain an overall QPR of 3.30 to graduate with both degrees. The students understands that he/she must meet the University Requirements for each program – the higher foreign language requirement, if there is a difference in the two degree programs. Courses used for the University Requirements may not be used for courses in major area and courses used in one major area may not be used toward the other major area. The student understands the completion of this program ordinarily will take 5 years.

I understand the above information and verify it is correct. I further understand that if I fail to meet any of the above requirements I am not eligible for the double baccalaureate.
