

Home Visitor:

The Nurturing Families Program at StayWell Health Center is seeking a Home Visitor for 40 hours per week to join our team. The Home Visitor will provide Parenting Support to first time families in the Greater Waterbury Community. Must have strong interpersonal skills to have the ability to engage with parents and understand complex family issues and dynamics. Previous home visitation experience preferred but not required. Flexible hours available. Bachelors Degree in Social Work or in a related social science or human services field preferred. Spanish Speaking. Basic computer skills including Microsoft Office, Word and Excel required.

E-mail resume and cover letter to hlee@staywellhealth.org, fax to 203-574-4978, Attn: Heather A. Garofalo
