Sexuality and Gender Equality (SAGE) Center
Speaker’s Bureau Request Form

The main purpose of the Speakers Bureau is to increase visibility of LGBTIQQA people and to counteract myths and misinformation about LGBTIQQA people that are prevalent in our heterosexist and trans-phobic culture. Through the creative form of story telling, speakers are able to reach an audience that has primarily never been exposed to LGBTIQQA issues. Furthermore, the question-and-answer part of the presentation gives people a chance to engage in conversation most have never been able to have with LGBTIQQA people.

Please download this form and email it to sagecenter@southernct.edu or print and deliver to the SAGE Center graduate intern, Lauren Todd, in the Adanti Student Center Rm 238.
