

VILLAGE OF POWER

The Village of POWER, a local organization, provides African American women who are homeless, unemployed and in recovery with comprehensive services that are designed to heal their life issues. They offer a Replenishment Center with case managers, spiritual groups, relapse prevention, wellness education, medical, psychiatric and recovery services, emergency food and clothes, socialization, fellowship, and vocational training and housing.

In the Growing through Sewing program, classes in jewelry, clothing, handbags, shawls, scarves, blankets and curtains, quilting, t-shirts, leather working are held daily.
