

GeoGebra Workshops

The GeoGebra Institute of Southern Connecticut invites you to participate in its Workshop for Middle and High School Teachers.

In this session, participants will begin by interacting with the various components of the software, yet leave with an in-depth understanding on how to use the different tools and features of GeoGebra to create interactive classroom activities in Algebra, Geometry and Statistics.

**Friday,
May 9
from
8:30a.m.
to
12:30 p.m.**

- FREE of charges
- Led by the GeoGebra Institute of Southern Connecticut
- Coffee and snack provided
- Seating is limited to 25 participants
- Register online by May 7 at : <http://is.gd/GISCTevents>
- Upon successful completion, participants will receive GeoGebra Certification.
