

GeoGebra Workshops

The GeoGebra Institute of Southern Connecticut invites you to participate in its August 2013 workshops.

Expert-Level Session* (two-day)

In this session, participants will learn how to use the different tools and features of GeoGebra at a mastery level.

Wednesday, August 21

8:30 a.m. to 12:30 p.m. AND

Thursday, August 22

1:30 to 5:30 p.m.

* ELIGIBLE PARTICIPANTS AT THIS WORKSHOP SHOULD BE GEOGEBRA USERS FOR AT LEAST ONE MONTH.

User-Level Session (one-day)

In this session, participants will begin by interacting with entry-level components of the software yet leave with an in-depth understanding on how to use GeoGebra with a focus on its implementation in the secondary classrooms.

Thursday, August 22

9:00 a.m. to 12:30 p.m.

FREE OF CHARGE

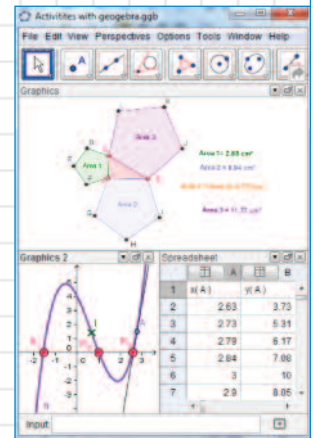

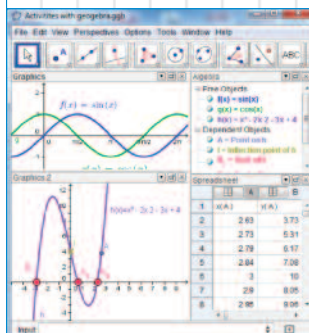

Led by the GeoGebra Institute of Southern Connecticut

Coffee and snack provided

Seating is limited to 25 participants!

Register online by August 7: <http://is.gd/GISCTevents>

Upon successful completion, participants will receive GeoGebra Certification.

SAVE THE DATE

The first Annual GeoGebra Conference of Southern Connecticut will take place November 5, 2013.
