

**Department of Education
Information Statement and
NCATE Attitudes and Disposition Statement**

Information Statement: I have been informed that State of Connecticut teacher certification regulations specify that no student may take more than two courses in the certification sequence prior to being officially admitted to the certification program.

Student's Signature

NCATE Attitudes and Dispositions Statement: I have been informed that NCATE and School of Education Learner Outcomes specify standards for acceptable professional attitudes and dispositions for all graduates in the certification program.
