FT=Full-time
PT=Part-time
IP=In Process: Students from the cohort listed have yet to graduate from the cohort year listed.
Programs are only required to provide data on the past 8 years/cohort or since the program was initially accredited, whichever is shorter.

^   44% of the 9 admitted students graduated in the minimum-3 year advertised time due to medical issues, loss of employment, and delay in accruing required clinical client contact hours. However, a total of 8 students (89%) of this class went on to complete and graduate from the program within the *Maximum Advertised Time.*

~   The 2019-2020 class year's completion rate in the Minimum Advertised was severely impacted by the COVID-19 pandemic. Several students were forced to stop attending due to family responsibilities and circumstances. Others reduced their schedule, and/or returned from a leave of absence following the pandemic and are still completing their degree.

+   Students in this cohort are still enrolled, moving toward graduation.

*   Graduation Rate is the program's Advertised Length of Completion which is how long the program is designed to complete as written.

**   Job Placement Rate is the percentage of graduates from the cohort year that are employed utilizing skills learned in the COAMFTE accredited program.

***   Licensure rate is the percentage of graduates from the cohort year that have achieved *ANY* level of MFT licensure.
        For Master's programs only, COAMFTE has established a benchmark of 70% licensure rate for each cohort.
