

# CENTER OF EXCELLENCE ON AUTISM SPECTRUM DISORDERS

## CONNECTICUT AUTISM TRAINING INITIATIVE CATI

### A COMPREHENSIVE TRANSDISCIPLINARY TEAM TRAINING

to develop a deeper understanding of Autism Spectrum Disorders (ASD), knowledge in the implementation of current evidence-based practices, and understanding the use of ongoing assessment and data-based decision making processes.

- 5 days of on site training (*August or during school year*)
- Option to add follow-up consultation for the core team throughout the school year

### DISTRICT PARTICIPANTS WILL INCLUDE ALL MEMBERS OF A STUDENT'S TEAM:

- Selected Special Education Teacher
- Selected General Education Teacher(s)
- Speech/Language Pathologist
- School Psychologist
- Selected Paraprofessional
- Administrator
- Parent
- Other Related Services Providers (as appropriate)

**TO DISCUSS CATI** for your district or agency please contact Ruth Eren at (203) 392-5929 or [ErenR1@southernct.edu](mailto:ErenR1@southernct.edu). Find us on the web at [SouthernCT.edu/asdcenter](http://SouthernCT.edu/asdcenter).
