

# CENTER OF EXCELLENCE ON AUTISM SPECTRUM DISORDERS

## PROFESSIONAL DEVELOPMENT

### PROFESSIONAL DEVELOPMENT SERVICES FOR TEACHERS AND SCHOOL/COMMUNITY RELATED SERVICE PROVIDERS

The Center's professional development services address the challenges of serving students with Autism Spectrum Disorders (ASD) in order to promote successful outcomes for individuals from preschool through adulthood.

### THE CENTER'S UNIQUE PROFESSIONAL DEVELOPMENT MODEL

- Professional development content tailored to district or agency needs
- Incorporates evidence based practices
- Hands-on application with a focus on effective implementation
- Options for ongoing support
- Full day, half day, or multiple day series available

**OUR TEAM** is composed of a multidisciplinary group of experts in the field of ASD. To create effective and innovate trainings, the Center's knowledgeable staff combines their diverse practical experiences with best practices in professional development.
