# TEACHING THE GENOME GENERATION™

## PAID PROFESSIONAL DEVELOPMENT OPPORTUNITY IN GENETICS & PERSONALIZED MEDICINE

**Register now** for this 5-week professional development workshop series held Saturdays 10am-12pm. Virtual sessions are denoted by the  icon and held over Zoom. In-person lab sessions are held at SCSU labs in New Haven and will follow the university's strict safety guidelines for on-campus learning experiences.

April 2: Introduction to the Program 

April 9: Molecular Biology Lab 1

April 30: Bioethics Discussion 

May 7: Molecular Biology Lab 2

May 14: Bioinformatics Activities 

Receive hands-on training in our NGSS-aligned curriculum focused on molecular biology lab techniques, bioethics lessons, and bioinformatics activities. There will be a \$500 stipend awarded to participants who complete the entire PD.
