- \* – the SCSU MFT program did not admit new students this academic year.
- ~ - as of August 2020, no students from this cohort have sat for the exam.
- + - part-time cohorts have fewer students than full-time cohorts and students in these groups experienced issues that contributed to slowing down coursework and extending the completion date of the program (i.e. loss of employment, medical issues, pregnancy, family pressures)
- ^ - one student in this cohort is still enrolled/attending the program and progressing toward graduation within maximum completion timeframe.
