**SOUTHERN CONNECTICUT STATE UNIVERSITY FACULTY SENATE
RESOLUTION REGARDING UNDERGRADUATE PASS/FAIL OPTION FOR FALL 2020**

Whereas, Southern Connecticut State University exists for the primary purpose of furthering academic excellence; and

Whereas, The SCSU Faculty Senate is the official representative body of the Academic Faculty; and

Whereas, The extenuating circumstances caused by the on-going COVID-19 pandemic continue to present unprecedented challenges to students; and

Whereas, Students may be disadvantaged by these changes, resulting in poorer class performance that does not reflect their typical classroom performance; and

Whereas, Faculty wish to provide students with every opportunity to achieve successful completion of their courses this semester, stay on track towards their graduation, and reduce the level of stress that they are likely experiencing; and

Whereas, Allowing students to take courses on a Pass/Fail basis could provide them with an option that will help to achieve the above; and

Whereas, The current Pass/Fail option is not adequate to accomplish this given its restrictions and given the fact that Students would have needed to elect a course as Pass/Fail by the fourth week of the semester, which has already passed; now, therefore, be it

Resolved, That the following revised Undergraduate Pass/Fail policy be approved for the Fall 2020 semester:

- With the approval of their adviser, matriculated students are eligible to register for certain courses on a Pass/Fail basis.
- The Pass/Fail option may be used for electives, the Liberal Education Program, or the requirements of a major or minor (as decided by the department housing the major or minor).
- During the Fall 2020 semester, there is no limit on the number of courses that may be taken under the Pass/Fail option.
- The Pass/Fail option is non-reversible. Students will be advised that once they have selected the Pass/Fail option, it will not be possible to revert to a graded option.

- The process for electing the Pass/Fail option shall be automated to the greatest extent possible via a web form. This web form shall provide the student with information about the policy, provide the students with a link to courses that have been designated as exempt by departments (i.e., are not available for Pass/Fail under this revised policy), require that the students indicate that they have read and understand the Pass/Fail policy, and shall direct students to their academic advisors or chairs for consultation. After consultation, the advisor/chairs shall endorse the forms, and the forms shall be routed automatically to the Registrar's office.
- The deadline for submitting a Pass/Fail request shall be extended to December 15th (the last day of final exams).
- The Pass/Fail option is blind in that the instructor is not aware of the student's use of the Pass/Fail option until after the grades are submitted, except where the instructor is also the advisor or chair.
- The final grade will be reported as "P" if the final grade earned is "D-" or higher. This grade earns zero quality points and has no effect on the GPA but does count as attempted credit. If the final grade earned is not passing, the final grade will be reported as "F". This grade earns zero quality points, but will impact the GPA, and does count as attempted credit. Courses taken for Pass/Fail might not be accepted for transfer credit when attending another institution; are excluded from GPA calculations which may impact a student's ability to meet certain GPA requirements needed for their major, graduation, or honors; and may not be satisfactory in meeting prerequisite requirements when applying to graduate programs.
