Discover Possibilities!

Grow with Google

LEARNING PROGRAM

Prepare for entry-level digital jobs by earning Google Professional Certificates.

Make your resume more competitive with a credential from Google. Southern has partnered with Google Career Academy to offer flexible online training programs designed to put you on the fast track to jobs in high-growth fields.

- *Get professional-level training with Google Certificates*
- *No experience necessary*
- *Learn job-ready skills even with no relevant experience or a post-secondary degree.*
- *Learn at your own pace*
- *Complete the online program on your own time and set your own schedule.*
- *Stand out to employers and compliment your degree.*

CAREER ACADEMY CERTIFICATES:

- *UX Design*
- *Cybersecurity*
- *Data Analytics*
- *Digital Marketing and E-Commerce*
- *Project Management*
- *IT Support*
- *IT Automation*
- *Business Intelligence*
- *Advanced Data Analytics*

82% **of Google Certificate graduates report a positive career outcome** like a new job, enhanced skills, promotion, or raise within six months.
