

**SOUTHERN CONNECTICUT STATE UNIVERSITY
2022 HONORS COLLEGE APPLICATION
FOR INCOMING FRESHMEN**

STEP ONE: *Apply to SCSU*

Before submitting the Honors College application, you must complete your application to Southern Connecticut State University. Application information for the university is found at <https://www.southernct.edu/admissions>. Please note that we do not require SAT/ACT scores, but we will include them in your file if you submit them. We will use your SCSU application to look at your transcripts, letters of recommendation and the list of your scholarly and leadership accomplishments and activities.

STEP TWO: *Complete and submit the Honors College application essay by January 9*

Applicants to the Honors College must write an essay on ONE of the following topics:

1. The COVID-19 pandemic brought change to every facet of our lives. How did it change the way you view the world? Were any of these changes beneficial? What impact did it have on your current life, on your career plans or on how you hope to contribute to society?
2. Choose a work of art (poetry, visual art, photography), a scientific discovery, or a current event that has shaped how you view the world. Why is it important? What effect did it have on your life? How will it impact your future goals, decisions or aspirations?

Your essay should be approximately 750 words, but can be longer or shorter depending on how long it takes you to thoughtfully answer the question. Your response will be evaluated on content (the significance of your answer and evidence of creative thinking) form (clarity, organization, coherence, structure), and writing skills (mechanics, spelling and grammar). Remember to cite any sources that you reference in your essay. You may use any citation format, as long as you indicate your sources

Be sure to include your name, complete address, e-mail address and phone number on your essay.

Please save documents in Word or PDF files and send your completed essay to the Honors College at:

**honorscollege@southernct.edu
no later than January 9, 2022**

You will receive a confirmation e-mail documenting that we have received your application. If you do not hear from us two weeks after you've submitted your application, be sure to contact the office at honorscollege@southernct.edu to confirm our receipt of your essay.

If you would like us to know more about your leadership skills, activities, and academic successes (including GPA, class rank, awards), or if there's anything else that you'd like to highlight or share with us, you may send this information to the Honors College in a separate Word or PDF document along with your completed essay.

STEP THREE: *Honors College “Essay Day”*

Applicants will be scored on high school achievements, activities, leadership potential and the Honors College essay. Students with the top composite scores will be contacted during the second week of February and invited to participate in one of our *Honors College Essay Day* sessions to be held virtually in late February and early March. (Many of our students refer to “Essay Day” as their favorite event of the year!) If you are selected to attend Essay Day, you’ll be asked to read a short article, prepare a brief written response and participate in a discussion with a small group of other applicants, current students, and Honors College faculty. We’ll also offer some information sessions led by the Honors College directors and current students so that you can learn more about the program. Those with the highest scores after the *Honors College Essay Day* evaluations will be offered a place in the program as Presidential Merit Scholars for Fall 2022.
