SOUTHERN CONNECTICUT STATE UNIVERSITY FACULTY SENATE
RESOLUTION REGARDING UNDERGRADUATE PASS/FAIL OPTION FOR SPRING 2021

Whereas, Southern Connecticut State University exists for the primary purpose of furthering academic excellence;

Whereas, The SCSU Faculty Senate is the official representative body of the Academic Faculty;

Whereas, The extenuating circumstances caused by the on-going COVID-19 pandemic continue to present unprecedented challenges to students;

Whereas, Students may be disadvantaged by these changes, resulting in poorer class performance that does not reflect their typical classroom performance;

Whereas, Faculty wish to provide students with every opportunity to achieve successful completion of their courses this semester, stay on track towards their graduation, and reduce the level of stress that they are likely experiencing;

Whereas, Allowing students to take courses on a Pass/Fail basis could provide them with an option that will help to achieve the above; and

Whereas, The current Pass/Fail option is not adequate to accomplish this given its restrictions and given the fact that Students would have needed to elect a course as Pass/Fail by the fourth week of the semester, which has already passed; now, therefore, be it

Resolved, That the following revised Undergraduate Pass/Fail policy be approved for the Spring 2021 semester:

- With the approval of their advisor, matriculated students are eligible to register for certain courses on a Pass/Fail basis.
- The Pass/Fail option may be used for electives, the Liberal Education Program, or the requirements of a major or minor (as decided by the department housing the major or minor).
- During the Spring 2021 semester, students may elect to take one course under the Pass/Fail option.
- After consulting with the student, the advisor (or Chair if the advisor is the instructor of the course in question) would complete and submit a Pass/Fail form for the student to then authorize by the deadline.
- The deadline for students to authorize the Pass/Fail contract shall be extended to May 9th (the last day of classes).
- The Pass/Fail option is non-reversible. Students will be advised that once they have selected the Pass/Fail option, it will not be possible to revert to a graded option.
- The Pass/Fail option is blind in that the instructor is not aware of the student's use of the Pass/Fail option until after the grades are submitted, except where the instructor is also the advisor or Chair.
- The final grade will be reported as "P" if the final grade earned is "D-" or higher. This grade earns zero quality points and has no effect on the GPA but does count as attempted credit. If the final grade earned is not passing, the final grade will be reported as "F." This grade earns zero quality

points, but will impact the GPA, and does count as attempted credit. Courses taken for Pass/Fail might not be accepted for transfer credit when attending another institution; are excluded from GPA calculations which may impact a student's ability to meet certain GPA requirements needed for their major, graduation, or honors; and may not be satisfactory in meeting prerequisite requirements when applying to graduate programs.
