

**ARTICULATION AGREEMENT  
HOUSATONIC COMMUNITY COLLEGE  
&  
SOUTHERN CONNECTICUT STATE UNIVERSITY**

March 10, 2016

Housatonic Community College and Southern Connecticut State University hereby establish the following articulation agreement regarding students who earn an Associate in Arts Degree (A.A.) in Liberal Arts and Sciences: Humanities/Behavioral & Social Sciences Concentration from Housatonic.

Representatives from both institutions met to compare each program's curriculum and identify options for transferability of credits from Housatonic Community College to Southern Connecticut State University. The agreement outlined below was approved by the SCSU University Curriculum Forum on March 10, 2016.

This agreement guarantees the following: Students who graduate with an Associate of Arts Degree in Liberal Arts and Sciences: Humanities/Behavioral & Social Sciences Concentration from Housatonic Community College will be exempt from SCSU Tier 1 and Tier 2 requirements of the Liberal Education Program at Southern with the exception of Multilingual Communication. The two science courses must be TAP-vetted and at least one must have a laboratory requirement. One Quantitative Reasoning course must be TAP-vetted (above the level of intermediate algebra). MAT E075 or E095 may not be used to fulfill the Quantitative Reasoning requirement.

Students who have graduated from Housatonic Community College with an Associate of Arts Degree in Liberal Arts and Sciences: Humanities/Behavioral & Social Sciences Concentration degree since May, 2012 are eligible.

This agreement will promote the transferability of credits for Housatonic Community College graduates who pursue a four-year degree at Southern Connecticut State University.
